Name: Brian

Bio: Being a Brooklyn native, Brian has had the opportunity to experience and reflect on the "raw vibe" people offer in this city. These experiences have informed much of who he is as an artist and musician. His proficiency on guitar, keyboard, drums and other percussion instruments as well his songwriting, music recording and production experience are well used in his band, The Major Crimes.

He is currently a solo artist on an imprint label of Warner Brothers, and has toured across the United States and Europe several times since the Summer of 2005. His second album release will be out this fall in conjunction with Big Hassle Publicity (Weezer, Kings of Leon, Tom Petty) and High Road Touring Wilco, Feist, Emmy Lou Harris).

Along with all of that (!), he is also collaborating on short films and music videos with Paxen Films LLC for companies such as Capitol Records and the School of Visual Arts.

Brian has been teaching music, film, digital audio, backyard sports since 2007 with Wingspan Arts, Kids Creative, Broadway Bound Kids, Making Books Sing, MKD Karate and more from grades pre-K to middle school throughout all 5 boroughs!
